About DhakaFareast LTD

Our Per month production output is approaching .5 million pieces per month. And value approximate 2.5 millions USD export per month.

■ A Brief Story About DhakaFareast

Dhaka Far East Ltd is a company that Growing very fast with very positive reputation. We are dedicated to serving national and international customers offering world class service and quality. We have continually grown through the years and now have four facilities and over 1500 skilled workers. Our annual production output is approaching 5 million pieces per year and we specialize in sewing activewear, sportswear, swimwear , Workwear and performance related items. Highly skilled in sewing knits, woven, and high stretch fabrics.

Our Vision

High-Quality Products

To ensure customer satisfaction, all clothing is cut, stitched and finished by hand and goes through a five-stage quality control. All phases of production are quality tested to guarantee that the highest standards are reached. We guarantee that after 30 washes, all our products will still be fine.

On Time Delivery

We are dedicated to delivering your order quickly and efficiently. We know how important it is for you to get your order in time, so we have designed our supply chain and delivery processes to make that happen. Your product can be delivered to you in many different ways, including FOB, C&F, CIF, LDP, and DDP.

Professional Service

We are a professional OEM & ODM manufacturer, you can rest assured that every product will be produced to the quality specifications as promised. We will make sure that all your products will be made with care and attention to ensure accuracy and maintain the specifications set out by you.

Easy Payment Terms

Wire transfers are a convenient way for our customers to avoid the time and effort behind establishing a letter of credit. We ask for a 30% deposit, 40% upon approval of pre-production samples, and the remaining payment upon shipment.

Our Goal

Our goal is to be the leading clothing supplier and manufacturer in the fashion apparel industry and to offer our clients customized products at competitive price.

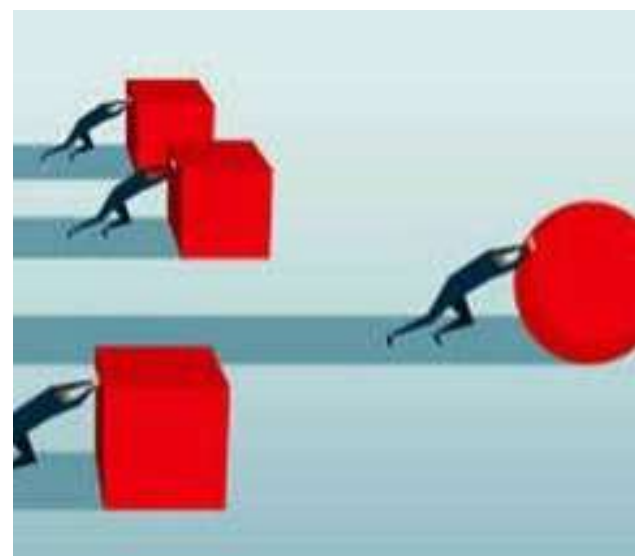

**Quality, Price, Experience,
Location, & Service give us
the Competitive Advantage.**

Our Values

01 Commitment

We value our commitment to on-time delivery, quality, and sustainability.

02 Efficiency

We set high-efficiency standards to run our core functions to excel.

03 Compliance

We test our social & technical compliance rigorously & routinely for accountability & transparency.

Best In The Apparel Field

We started as a small garment manufacturing unit in Narayanganj in **2011**. Since then **DhakaFareast Ltd** has been leading in the manufacturing & exporting market of apparel goods in **BANGLADESH**. Though relatively small compared to the contemporary manufacturer in Bangladesh, we have a compliant factory, a highly skilled workforce, a flexible production platform, experienced staff, and more than 12 years of manufacturing expertise.

Key Factors

Manufacturing

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether the order quantity is 1,000 or 100,000 pieces.

MOQ

The minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

Lead Time

- 90 days from fabric approval (imported fabric by sea shipment)
- 120 days from fabric/print design or color selection (imported fabric by sea shipment).

Process & Quality

A strict regime of internal audits, critical process checks, 3rd party testing on fabric/accessories/garments, and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

Product

We manufacture value-added and fashion products: Ladies' tops, blouses, dresses, skirts, nightwear, girl's dress, hospital uniform, school uniform, and men's casual wear shirts, shorts, and boxers.

Design & Development

We can assist customers in creating fits and designs for garments. We offer choices of fabrication, a wide range of accessories, and different packaging methods: flat pack, boxed pack, hanging garments, etc.

ERP (Enterprise Resource Planning)

Our core functions are based on Enterprise Resource Planning (ERP). We strive continuously to reduce the wastage of materials and increase production efficiency.

HR Policy

We follow a strict Code of Conduct (CoC) embedded in our corporate HR policy – a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.

Electronic Payment System

Our electronic payment system for salary and bill payments has reduced costs, eased payment methods, heightened security, and reduced financial risk.

Certification

Our Strength

Certificate of Registration

This certificate has been awarded to

Dhaka Fareast Ltd.
Chawkpura, Mowna, Sreepur, Gazipur, Dhaka, 1740, Bangladesh

in recognition of the organization's Quality Management System which complies with

ISO 9001:2015

The scope of activities covered by this certificate is defined below

Manufacture and Export of Knitted Garments

Date of Issue of Certification Cycle	Issue Number	Certificate Expiry Date	Certification Cycle
08 April 2022	1	07 April 2025	1
Revision Date	Revision Number	Original Certificate Issue Date	Schema Number
08 April 2022	0	08 April 2022	N/A

CERTIFICATE

The company

Dhaka Far-East Ltd.
Chawkpura, Mowana, Sreepur PS
Gazipur - 1743, BANGLADESH

is granted authorization according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 21/0431659

for the following articles:

Knitted ready-made garments (t-shirt, polo shirt, high neck t-shirt, tank top, hooded jacket, sweatshirt, sweater, shorts, long pants, leggings) made of 100% cotton, cotton-elastane, cotton/polyester (also knitted), 100% polyester (also fleece), mesh fabric, as well as in fluorescent colours, white, reactive and disperse dyed as well as cotton/viscose in grey, orange, rubber and pigment print on 100% cotton, including accessories (bowling thread, interlining, woven and printed label, transfer label, wall tape, elastic tape, drawstring, ring spring button, PDS button, zipper) exclusively produced by using materials certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX® Annex 4, product class II have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex VIII of REACH (incl. the use of azo colourants, nickel release, etc.) the American requirement regarding lead content of lead in children's articles (CPSC), with the exception of accessories made from glass and of the Chinese standard GB 18401-2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17001-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 21.HKD.51659 is valid until 30.04.2022

Bonnheim, 09.04.2022

CERTIFICATE No. 21/4480/00/0161

PPE TYPE SET
REF: SET CREW NECK HIGH VIS SW-SHIRT + High Vis Fleece Hoodie Jacket + High Vis Fleece Jacket

AITEX, Notified Body No. 0161 for the application of Regulation (EU) 2016/425 of the European Parliament and of the Council of 9th March 2016, in which the essential health and safety requirements that Personal Protective Equipment (PPE) must comply with.

CERTIFIES The Company:
Dhaka Fareast Ltd.
Chawkpura Mowna, Sreepur, Gazipur
BD-1740 Dhaka

As a manufacturer

CERTIFICATE No. 21/4480/00/0161

Has obtained EU TYPE EXAMINATION in compliance with what is set out in Annex V (module B) in Regulation (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications intended to indicate the user's presence in both daytime and at night in hazardous situations with low visibility, according to the following standards:

- EN ISO 13688:2013 General Requirements,
- EN ISO 20471:2013+A1:2016 designated PPE Class 3 against hazardous situations with low visibility

Tests performed after 25 cycles at 40°C.

Having achieved the performance requirements specified in conformity assessment report No. 2021EP1126UE and the PPE's Technical Documentation.

Description of the PPE:
Set made of three garments: T-shirt, fleece jacket and fleece jacket with hood, the three garments are made of yellow knitted fabric and all the garments have four grey bands across on them.

The materials that form the PPE, are described in the conformity assessment report of 2021EP1126UE.

It shall be the manufacturer's responsibility to provide specific information of this certificate and the tested levels of protection.
